

Wherever you are

You're not always aware of it, but VConsyst Outdoor is here, there and everywhere. You'll find our iconic litter bins, bike parking systems, canopies, seating and street furniture throughout the Netherlands and beyond.

We help you with appropriate, innovative total solutions for the design and management of public outdoor spaces. Solutions that make your living environment easier, more beautiful and safer. And

above all, more sustainable. VConsyst Outdoor thinks not only about today and tomorrow, but also about future generations. Wherever you are, now and in the future.

Royal Bammens litter bins

Durable litter bins for public spaces.

Canopies

Open and lockable coverings for public spaces and business parks.

Seating

High-quality outdoor benches and seating for every application.

Capitole Prestige

Waste bin to make impact

Wherever you are

Capitole Prestige

Waste bin for enduring success with many possibilities

The Capitole Prestige is a design classic that has conquered the Dutch streetscape. A durable, economical litter bin with a timeless appearance. In the course of the years it has grown to be the most placed litter bin in the Benelux. Due to its extra solid construction, the Capitole Prestige is resistant to unwanted use and vandalism.

1

Cleaner and more beautiful tackle litter in the outdoor space

The gas spring ensures that the upper rack The Capitole Prestige is specially designed for public spaces: durable and always in tune with its surroundings. With its timeless design, it not only makes your city and region cleaner, but also a little more beautiful.

2

A face of its own

The Capitole Prestige offers many personalisation options. With your own design, you can match it to the City Identity of your city. The Capitole Prestige stands strong in every street, town and region.

3

Sustainable

The cradle-to-cradle certified Capitole has a proven life span of more than 10 years and a robust removable inner container.
